Sunday School @SFBC

Sunday School @SFBC

What can I expect when I come to a Sunday School class at Sunnyvale First Baptist Church?

Sunday School is where our large church becomes personal. It's a place where people connect, relationships are built, and friendships are formed with those who will walk with you through the journey of life.

At Sunnyvale, Sunday School is where a small group of people gathers to study God's Word, share fellowship, serve the Lord, reach the community with the gospel, and multiply their ministry. The Bible is at the center of everything we teach and do.

Our primary goal is simple and vital: to make disciples who follow Jesus.
